In addition to this rule of interpretation, the following terms used in this Agreement shall have the meanings as specified below:

- 1.1 "Act" means the Communications Act of 1934, as amended.

- 1.3 Central Office Switch" means a switch used to provide Telecommunication Services, including, but not limited to:
  - (a) "End Office Switch" is a switch in which the subscriber station loops are terminated for connection to trunks. The subscriber receives terminating, switching, signaling, transmission, and related functions for a defined geographic area by means of an end office switch.
  - (b) "Remote End Office Switch" is a switch in which the subscriber station loops are terminated. The control equipment providing terminating, switching, signaling, transmission and related functions would reside in a host office. Local switching capabilities may be resident in a remote end office switch.

A host office switch can serve as an end office as well as providing services to other remote end offices requiring terminating, signaling, transmission, and related functions including local switching.
  - (d) "Tandem Office Switch" is a switching system that establishes trunk-to-trunk connections. Local tandems switch calls from one end office to another within the same geographic area, and access tandems switch traffic from host or end offices to and from an interexchange carrier. # 2.0 <u>INTERPRETATION AND CONSTRUCTION</u>

All references to Sections, Exhibits and Schedules shall be deemed to be references to Sections of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. The headings of the Sections and the terms are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning of this Agreement. Unless the context shall otherwise require, any reference to any agreement, other instrument or other third party offering, guide or practice, statute, regulation, rule or tariff is for convenience of reference only and is not intended to be a part of or to affect the meaning of a rule or tariff as amended and supplemented from time-to-time (and, in the case of a statute, regulation, rule or tariff, to any successor provision).

# 3.0 SCOPE

This Agreement relates to exchange of traffic between Hargray and SPCS. Hargray's NXXs are listed in the LERG under Operating Company Number ("OCN") 0523. SPCS' represents that it is a CMRS provider of telecommunications services to subscribers in the Atlanta MTA #11. SPCS' NXXs are listed in the LERG under Operating Company Number ("OCN") 6664 or 8570 for the state of South Carolina.

This Agreement is limited to the exchange and compensation for traffic of Hargray end user customers for which Hargray has tariff authority to carry and the exchange of Local Telecommunications Traffic from SPCS customers to which SPCS provides service on a two-way wireless mobile basis. Compensation for all Local Telecommunications Traffic exchanged between Hargray and SPCS shall be paid according to the terms of this Agreement.

Hargray does not concede that it is appropriate to treat fixed wireless services as CMRS traffic from a regulatory standpoint. However, if SPCS decides to provide fixed wireless services in Hargray Territory over SPCS's CMRS network, either party may seek a determination from the FCC as to the appropriate regulatory treatment of such service. If the FCC determines that the traffic to and from the fixed wireless services offered by SPCS should not be treated differently from its other CMRS traffic, the Parties agree that such services shall be covered under this Agreement, notwithstanding any language to the contrary. Additionally Hargray agrees that SPCS may provide fixed wireless services in Hargray territory on an interim basis, pursuant to the terms and conditions of this Agreement, notwithstanding any language to the contrary, prior to obtaining a final FCC order regarding the appropriate regulatory treatment of such services. Hargray's agreement to this interim provision of service is without prejudice to any position Hargray may take in an appropriate proceeding regarding the appropriate regulatory treatment of fixed wireless service.

# 4.0 SERVICE AGREEMENT

<u>Description of Arrangements</u>. This Agreement provides for the following interconnection and arrangements between the networks of Hargray and SPCS. Additional arrangements that may be agreed to in the future will be delineated in Attachment A to this agreement. Type 2 interconnection and arrangements are based on the existing rate center designation for SPCS NPA/NXX. Routing of traffic shall be as described in this section, except those alternatives may be employed in the event of emergency or temporary equipment failure.

Nothing in this Agreement shall prohibit SPCS from enlarging its CMRS network through management contracts with third parties for the construction and operation of a CMRS system under the SPCS brand name and license. Traffic originating on such extended networks shall be treated as SPCS traffic under the terms and conditions of this Agreement.

4.1 Type 2-A Interconnection at Pritchardville: A two-way trunk group is provisioned between Hargray's Pritchardville tandem switch (PTVLSCXA01T) and SPCS' point of presence in the Hilton Head exchange, with the Point of Interconnection designated at the Hargray's Pritchardville tandem switch. This trunk group is provisioned in connection with SPCS' NPA/NXX(s) with rate center designation of Hilton Head exchange. Applicable tariff charges for establishing and provisioning these trunk groups will be billed by Hargray to SPCS as specified in Section 5. The Type 2-A service involves the Hargray landline homing arrangement of SPCS' 843/338 with rate center designation of Hilton Head hosted by SPCS, as listed in the LERG.

#### A. Landline to Wireless:

Calls from Hargray's customers in Hilton Head and Hargray exchanges that have non-optional two-way EAS with Hilton Head, to SPCS' customers with NPA/NXX(s) that have rate center designation of Hilton Head shall be routed to over the two-way direct trunk group to SPCS. All other landline to wireless calls shall be routed in accordance with Telcordia's Traffic Routing Administrative instructions.

#### B. Wireless to Landline:

Calls originated by SPCS' customers within MTA #11 (Atlanta), or customers of another CMRS provider that has entered into roaming arrangement with SPCS, while roaming in MTA #11, to Hargray's customers shall be routed from SPCS' network via the two-way direct trunk group to the Hargray's Pritchardville access tandem for termination by Hargray to its customers, as appropriate. All other wireless to landline calls shall be routed in accordance with Telcordia's Traffic Routing Administration instructions.

- 4.2 Indirect Traffic to Hargray. The Parties agree that if either Party routes traffic to the other via a third party LEC pursuant to an agreement with the LEC ("Indirect Traffic"), reciprocal compensation rates and arrangements shall apply provided that such Indirect traffic can be accurately measured and reported for billing purposed by the LEC.
- 4.3 Transiting Traffic: The Parties acknowledge and agree that this Agreement is intended to govern the exchange of traffic to and from the Parties respective

networks only. Traffic originated by a Party and delivered to the other Party for termination to the network of a non- party Telecommunications Carrier ("Non-party Carrier") may be delivered only with the consent of such Non-Party Carrier or pursuant to Commission directive. If a Non-party Carrier objects to the delivery of such traffic, then either Party to this Agreement may request direction from the Commission. If a Non-Party Carrier consents, then the Party performing such transiting function will bill the other Party the transiting charge, as specified in Section 5 below. In order for Non-Party Carrier to bill the other Party for changes it is obligated to pay the Non-party Carrier, the Party performing the transiting function must provide total minutes of transiting traffic termination to the Non-party Carrier. SPCS shall not perform a transiting function pursuant to this Agreement.

## 5.0 **COMPENSATION**

# 5.1 <u>Traffic Subject to Reciprocal Compensation.</u>

Reciprocal Compensation is applicable for Transport and Termination of Local Telecommunications Traffic as defined in Section 1.14 and is related to the exchange of traffic described in Section 4.1. 4.2, and in Attachment A, as applicable.

For terminating calls, usage begins when the terminating recording switch (i.e., the MSC or tandem) receives answer supervision from the terminating end user. The measurement of terminating call usage ends when the MSC receives or sends a release message.

The rate for Reciprocal Compensation shall be \$0.026 per minute.

This interconnection reciprocal compensation rate contained in this agreement is based on Hargray's negotiated interconnection agreements with other CMRS providers. Hargray agrees to replace the negotiated reciprocal compensation rate used in this agreement with a rate based on a forward looking incremental cost study absent any historical cost or any state ordered rate immediately upon the filing, the subsequent approval and order of such rate from the Public Service Commission of South Carolina.

# 5.2 <u>Traffic Subject to Access Compensation.</u>

Parties agree that traffic rated and recorded as Local Telecommunications Traffic, may originate or terminate in another MTA, and therefore qualify as Non-Local traffic, subject to access compensation.

Access Compensation is applicable to all Non-Local Traffic exchanged between Hargray and SPCS, as described in Sections 4.1, 4.2, and Attachment A, as applicable. SPCS shall compensate Hargray at Hargray's applicable access tariff rates for all such Non-Local Traffic.

# 5.3 <u>Traffic Subject to Transiting Compensation</u>:

Transiting compensation is applicable to the traffic described in Section 4.3, and in Attachment A as applicable.

The rate for transiting compensation shall be \$0.016 per minute.

- 5.4 Calculation of Payments and Billing.
  - 5.4.1 SPCS will compensate Hargray for Local Telecommunications Traffic delivered to Hargray for termination to its customers as prescribed and at the rates provided in Section 5.1 and for Local Telecommunications Traffic delivered to Hargray for transiting to a Non-Party Carrier at the rate provided in Section 5.3. Hargray will compensate SPCS for Local Telecommunications Traffic originated by Hargray customers on Hargray network and delivered to SPCS over the two-way direct trunk group for termination to its customers, as prescribed and at the rate provided in Section 5.1. Non Local Traffic will be exchanged between Hargray and SPCS, as prescribed and at the rates provided in section 5.2.
  - 5.4.2 SPCS shall prepare a monthly billing statement to Hargray, reflecting the calculation of Reciprocal Compensation due SPCS. Hargray shall prepare a monthly billing statement to SPCS which will separately reflect the calculation of Reciprocal Compensation, Access Compensation, Transiting Compensation and total compensation due Hargray.
  - 5.4.3 Hargray shall use either the transiting report provided by BellSouth or usage information provided by SPCS for indirect traffic described in Section 4.2. In the event that there is more than 10% discrepancy between the usage information reported by BellSouth and SPCS, Parties shall work cooperatively to determine which usage report is more accurate and therefore appropriate source to use for billing.
  - 5.4.4 Recognizing that Hargray has no way of measuring the Non-Local traffic and also recognizing that SPCS does not currently track the usage information required to identify the Non-Local traffic originated or terminated by Hargray, both Parties agree to use a default factor 5%, representing the Non-Local traffic. Hargray will apply the 5% Non-Local factor to the total wireless to landline terminating usage to estimate the

Non-Local traffic subject to originating access compensation, for billing SPCS. The actual recorded usage shall be the basis for billing, when available and verifiable

- 5.4.4 5.4.5 When the Parties jointly provide switched access services to an interexchange carrier ("IXC"), as a result of one Party's NPA/NXX subtending an access tandem of the other, the Parties will establish industry standard Meet Point access arrangements to support the exchange of traffic with the IXC. Pursuant to the procedures described in Multiple Exchange Carrier Access Billing ("MECAB") document, MECAB-006, issue 6, February 1998, the Parties shall provide to each other the Switched Access Detail Usage Data and the Switched Access Summary Usage Data to bill for jointly provided switched access service, such as switched access Feature Groups B and D. The Parties agree to provide this data to each other at no charge. Such exchange of data shall commence on the effective date of this Agreement when each Party, (Hargray or SPCS), is capable of capturing this data.
- 5.4.6 Where Type 2A interconnection facilities are used for two-way traffic exchange between the Parties, the recurring charges for such facilities billed by Hargray shall be reduced by an agreed upon percentage representing the estimated or actual percentage of traffic exchanged between the Parties over such facilities that originate on Hargray's network by Hargray's customers. This percentage is referred to as the Traffic Factor. The Parties agree to review these percentages on a periodic basis and, if warranted by the actual usage, revise the percentages appropriately, but no more than once every six months.

a) Landline to Wireless 28%

b) Wireless to Landline 72%

5.4.7 Each party may request to inspect, during normal business hours, the records which are the basis for any monthly bill issued by the other Party and to request copies thereof provided that the requested records do not exceed 12 months in age from the date the monthly bill containing said record information was issued.

#### 6.0 NOTICE OF CHANGES

If a Party contemplates a change in its network, which it believes will materially affect the inter-operability of its network with the other Party, the Party making the change shall provide at least ninety (90) days advance written notice of such change to the other Party.

# 7.0 GENERAL RESPONSIBILITIES OF THE PARTIES

- 7.1 Each Party is individually responsible to provide facilities within its network which are necessary for routing, transporting and, consistent with Section 5, measuring and billing traffic from the other Party's network and for delivering such traffic to the other Party's network in a mutually acceptable format, and to terminate the traffic it receives in that mutually acceptable format to the proper address on its network. The Parties are each solely responsible for participation in and compliance with national network plans, including The National Network Security Plan and The Emergency Preparedness Plan. Neither Party shall use any service related to or use any of the Services provided in this Agreement in any manner that prevents other persons from using their service or destroys the normal quality of service to other carriers or to either Party's customers, and subject to notice and a reasonable opportunity of the offending Party to cure any violation, either Party may discontinue or refuse service if the other Party violates this provision.
- 7.2 Each Party is solely responsible for the services it provides to its customers and to other Telecommunications Carriers.
- 7.3 Each Party is responsible for administering NXX codes assigned to it.
- 7.4 Each Party is responsible for obtaining Local Exchange Routing Guide ("LERG") listings of the Common Language Location Identifier ("CLLI") assigned to its switches.
- 7.5 Each Party shall use the LERG published by Bellcore or its successor for obtaining routing information and shall provide all required information to Bellcore for maintaining the LERG in a timely manner.
- 7.6 SS7 Out of Band Signaling (CCS/SS7) shall be the signaling of choice for Type 2 trunks where technically feasible for both Parties. Use of a third party provider of SS7 trunks, for connecting SPCS to the Hargray SS7 systems is permitted. Such connections shall meet generally accepted industry technical standards.

#### 8.0 TERM AND TERMINATION

8.1 Subject to the provisions of Sections 13, the initial term of this Agreement shall be for one year ("Term") which shall commence on the Effective Date. This Agreement shall automatically renew for successive six-month

periods, unless either party provides 30 days written notification to the other party of its intent to terminate this Agreement.

- 8.2 The Parties agree that disputed and undisputed amounts due under this Agreement shall be handled as follows:
  - 8.2.1 If any portion of an amount due to a Party (the "Billing Party") under this Agreement is subject to a bona fide dispute between the Parties, the Party billed (the "Non-Paying Party") shall, within thirty (30) days of its receipt of the invoice containing such disputed amount, give written notice to the Billing Party of the amounts it disputes ("Disputed Amounts") and include in such notice the specific details and reasons for disputing each item. The Non-Paying Party shall pay when due all undisputed amounts to the Billing Party. The Parties will work together in good faith to resolve issues relating to the disputed amounts. If the dispute is resolved such that payment of the disputed amount is required, whether for the original full amount or for the settlement amount, the Non-paying Party shall pay the full disputed amount or the settlement amount with interest at the lesser of (i) one and onehalf percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under South Carolina's applicable law. In addition, the Billing Party may cease terminating traffic for the Non-paying Party after undisputed amounts not paid become more than 90 days past due, provided the Billing Party gives an additional 30 days notice and opportunity to cure the default.
  - 8.2.2 Any undisputed amounts not paid when due shall accrue interest from the date such amounts were due at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under South Carolina's applicable law.
  - 8.2.3 Undisputed amounts shall be paid within thirty (30) days of receipt of invoice from the Billing Party.
- 8.3 Upon termination or expiration of this Agreement in accordance with this Section:
  - (a) Each Party shall comply immediately with its obligations as set forth above;
  - (b) Each Party shall promptly pay all amounts (including any late payment charges) owed under this Agreement;

Each Party's indemnification obligations shall survive termination or expiration of this Agreement.

8.4 Either Party may terminate this Agreement in whole or in part in the event of a default of the other Party, provided, however, that the non-defaulting Party notifies the defaulting Party in writing of the alleged default and the defaulting Party does not implement mutually acceptable steps to remedy such alleged default within thirty (30) days after receipt of written notice thereof.

# 9.0 CANCELLATION CHARGES

Except as provided herein, no cancellation charges shall apply.

#### 10.0 NON-SEVERABILITY

- 10.1 The services, arrangements, terms and conditions of this Agreement were mutually negotiated by the Parties as a total arrangement and are intended to be non-severable.
- 10.2 Nothing in this Agreement shall be construed as requiring or permitting either Party to contravene any mandatory requirement of federal or state law, or any regulations or orders adopted pursuant to such law.

#### 11.0 INDEMNIFICATION

- 11.1 Each Party (the "Indemnifying Party") shall indemnify and hold harmless the other Party ("Indemnified Party") from and against loss, cost, claim liability, damage, and expense (including reasonable attorney's fees) to customers and other third parties for:
  - (1) damage to tangible personal property or for personal injury proximately caused by the negligence or willful misconduct of the Indemnifying Party, its employees, agents or contractors;
  - (2) claims for infringement of patents arising from combining the Indemnified Party's facilities or services with, or the using of the Indemnified Party's services or facilities in connection with, facilities of the Indemnifying Party.

Notwithstanding this indemnification provision or any other provision in the Agreement, neither Party, nor its parent, subsidiaries, affiliates, agents, servants, or employees, shall be liable to the other for Consequential Damages (as defined in Section 12.3).

- The Indemnified Party will notify the Indemnifying Party promptly in writing of any claims, lawsuits, or demands by customers or other third parties for which the Indemnified Party alleges that the Indemnifying Party is responsible under this Section, and, if requested by the Indemnifying Party, will tender the defense of such claim, lawsuit or demand.
  - (1) In the event the Indemnifying Party does not promptly assume or diligently pursue the defense of the tendered action, then the Indemnified Party may proceed to defend or settle said action and the Indemnifying Party shall hold harmless the Indemnified Party from any loss, cost liability, damage and expense.
  - (2) In the event the Party otherwise entitled to indemnification from the other elects to decline such indemnification, then the Party making such an election may, at its own expense, assume defense and settlement of the claim, lawsuit or demand.
  - (3) The Parties will cooperate in every reasonable manner with the defense or settlement of any claim, demand, or lawsuit.
  - (4) Neither Party shall accept the terms of a settlement that involves or references the other Party in any matter without the other Party's approval.

#### 12.0 LIMITATION OF LIABILITY

- 12.1 No liability shall attach to either Party, its parents, subsidiaries, affiliates, agents, servants, employees, officers, directors, or partners for damages arising from errors, mistakes, omissions, interruptions, or delays in the course of establishing, furnishing, rearranging, moving, terminating, changing, or providing or failing to provide services or facilities (including the obtaining or furnishing of information with respect thereof or with respect to users of the services or facilities) in the absence of gross negligence or willful misconduct.
- 12.2 Except as otherwise provided in Section 11.0, no Party shall be liable to the other Party for any loss, defect or equipment failure caused by the conduct of the first Party, its agents, servants, contractors or others acting in aid or concert with that Party, except in the case of gross negligence or willful misconduct.

12.3 For any indirect, special, consequential, incidental or punitive damages, including but not limited to loss of anticipated profits or revenue or other economic loss in connection with or arising from anything said, omitted or done hereunder (collectively, "Consequential Damages"), even if the other Party has been advised of the possibility of such damages.

## 13.0 REGULATORY APPROVAL

The Parties understand and agree that this Agreement will be filed with the Commission, and to the extent required by FCC rules may thereafter be filed with the FCC. Each Party covenants and agrees to fully support approval of this Agreement by the Commission or the FCC under Section 252(e) of the Act without modification. The Parties, however, reserve the right to seek regulatory relief and otherwise seek redress from each other regarding performance and implementation of this Agreement. In the event the Commission or FCC rejects this Agreement in whole or in part, the Parties agree to meet and negotiate in good faith to arrive at a mutually acceptable modification of the rejected portion(s). Further, this Agreement is subject to change, modification, or cancellation as may be required by a regulatory authority or court in the exercise of its lawful jurisdiction.

The Parties agree that their entrance into this Agreement is without prejudice to any positions they may have taken previously, or may take in future, in any legislative, regulatory, judicial or other public forum addressing any matters, including matters related to the same types of arrangements covered in this Agreement.

# 14.0 PENDING JUDICIAL APPEALS AND REGULATORY RECONSIDERATION

The Parties acknowledge that the respective rights and obligations of each Party as set forth in this Agreement are based on the text of the Act and the rules and regulations promulgated thereunder by the FCC and the Commission as of the Effective Date ("Applicable Rules"). In the event of any amendment to the Act, any effective legislative action or any effective regulatory or judicial order, rule, regulation, arbitration award, dispute resolution procedures under this Agreement or other legal action purporting to apply the provisions of the Act to the Parties or in which the FCC or the Commission makes a generic determination that is generally applicable which revises, modifies or reverses the Applicable Rules (individually and collectively, Amended Rules), either Party may, by providing written notice to the other party, require that the affected provisions of this Agreement be renegotiated in good faith and this Agreement shall be amended accordingly to reflect the pricing, terms and conditions of each such Amended Rules relating to any of the provisions in this Agreement.

# 15.0 MOST FAVORED NATION PROVISION

Any information such as specifications, drawings, sketches, business 16.5.1 information, forecasts, models, samples, data, computer programs and other software and documentation of one Party (a Disclosing Party) that is furnished or made available or otherwise disclosed to the other Party or any of its employees, contractors, or agents (its "Representatives" and with a Party, a "Receiving Party") pursuant to this Agreement ("Proprietary Information") shall be deemed the property of the Disclosing Party. Proprietary Information, if written, shall be clearly and conspicuously marked "Confidential" or "Proprietary" or other similar notice, and, if oral or visual, shall be confirmed in writing as confidential by the Disclosing Party to the Receiving Party within ten (10) days after disclosure. The following information shall be deemed Confidential Information, whether or not marked as such: orders for services, usage information in any form, and Customer Property Network Information (CPNI) as that term is defined in the Act and the rules and regulations of the FCC ("Confidential and/or Proprietary Information"). Unless Proprietary Information was previously known by the Receiving Party free of any obligation to keep it confidential, or has been or is subsequently made public by an act not attributable to the Receiving Party, or is explicitly agreed in writing not to be regarded as confidential, such information: (I) shall be held in confidence by each Receiving Party; (ii) shall be disclosed to only those persons who have a need for it in connection with the provision of services required to fulfill this Agreement and shall be used by those persons only for such purposes; and (iii) may be used for other purposes only upon such terms and conditions as may be mutually agreed to in advance of such use in writing by the Parties. Notwithstanding the foregoing sentence, a Receiving Party shall be entitled to disclose or provide Proprietary Information as required by any governmental authority or applicable law, upon advice of counsel, only in accordance with Section 16.5.2 of this Agreement.

- 16.5.2 If any Receiving Party is required by any governmental authority or by applicable law to disclose any Proprietary Information, then such Receiving Party shall provide the Disclosing Party with written notice of such requirement as soon as possible and prior to such disclosure. The Disclosing Party may then seek appropriate protective relief from all or part of such requirement. The Receiving Party shall use all commercially reasonable efforts to cooperate with the Disclosing Party in attempting to obtain any protective relief which such Disclosing Party chooses to obtain.
- 16.5.3 In the event of the expiration or termination of this Agreement for any reason whatsoever, each Party shall return to the other Party or destroy all Proprietary Information and other documents, work papers and other material (including all copies thereof) obtained from the other Party in connection with this Agreement and shall use all reasonable efforts, including instructing its employees and others who have had access to such information, to keep confidential and not to use any such information, unless such information is now, or is hereafter disclosed, through no act, omission or fault of such Party, in any manner making it available to the general public.
- 16.6 Governing Law. For all claims under this Agreement that are based upon issues within the jurisdiction (primary or otherwise) of the FCC, the exclusive jurisdiction and remedy for all such claims shall be as provided for by the FCC and the Act. For all claims under this Agreement that are based upon issues within the jurisdiction (primary or otherwise) of the Commission, the exclusive jurisdiction for all such claims shall be with the Commission, and the exclusive remedy for such claims shall be as provided for by such Commission. In all other respects, this Agreement shall be governed by the domestic laws of the State of South Carolina without reference to conflict of law provisions.

Whenever possible, these amounts shall be billed as a separate item on the invoice. To the extent a sale is claimed to be for resale tax exemption, the purchasing Party shall furnish the providing Party a proper resale tax exemption certificate as authorized or required by statute or regulation by the jurisdiction providing said resale tax exemption. Failure to timely provide such sale for resale tax exemption certificate will result in no exemption being available to the purchasing Party.

Except as provided in this paragraph, neither Party may assign or transfer (whether by operation of law or otherwise) this Agreement (or any rights or obligations hereunder) to a third party without the prior written consent of the other Party which consent will not be unreasonably withheld; provided that either Party may assign this Agreement to a corporate Affiliate or an entity under it's common control or an entity acquiring all or substantially all of its assets or equity without consent or by providing prior written notice to the other Party of such assignment or transfer. Any attempted assignment or transfer that is not permitted is void ab initio. Without limiting the generality of the foregoing, this Agreement shall be binding upon and shall inure to the benefit of the Parties' respective successors and assigns.

- 16.9 <u>Non-Waiver.</u> Failure of either Party to insist on performance of any term or condition of this Agreement or to exercise any right or privilege hereunder shall not be construed as a continuing or future waiver of such term, condition, right or privilege.

Except for provisions herein expressly authorizing a Party to act for another, nothing in this Agreement shall constitute a party as a legal representative or agent of the other Party; nor shall a Party have the right or authority to assume, create or incur any liability or any obligation of any kind, express or implied, against, in the name of, or on behalf of the other Party, unless otherwise expressly permitted by such other Party. Except as otherwise expressly provided in this Agreement, no party undertakes to perform any obligation of the other Party, whether regulatory or contractual, or to assume any responsibility for the management of the other Party's business.
